

ATR 20/20 Minimum System Requirements

To install the ATR20/20 Demo software you need the following:

- An IBM PC or compatible computer, Intel Pentium 300 or higher processor.
- Windows 95/98/2000/NT/ME/XP
- 50 MB available disk space
- Screen Resolution 800 x 600

Installation from Acroprint Web Page

- From the ATR2020 product page, under additional materials, select **Software Demo 3.15**
- The demo is a self-extracting zipped file (compressed file) that is about **25 Meg**.
- From the “File Download” window select the option “Save This Program to Disk” and note the 2020demo_v3.15.exe file location. If the default installation location is ok click “Save” or else you can redirect the installation to another location.
- Once the download is completed, locate the saved file on your PC and open the file. You will see the “WinZip Self-Extractor” window appear.
- From the “WinZip Self-Extractor” window click on “UnZip”. The files will be unzipped to “c:\2020demo_v3.15” or you can redirect the installation to another location. Click “Ok” after the files have been successfully unzipped and close the “WinZip Self-Extractor” window.
- From Windows Explorer click on drive (C). In the contents window you will see a folder named “2020demo_v3.15”. Double click on this folder. Next double click on the folder called “Disk 1”. Now double click on “Setup.exe”.
- Setup will prepare the InstallShield Wizard. The process bar will show 100% completion after a few seconds but it could take a few minutes for the “ATR2020 for Windows Setup” screen to appear.
- When the “Welcome” window appears click “Next”.
- Click “Yes” if you accept the terms of the License Agreement.
- Click “Single User Installation”
- Select “English” or “Spanish” and click “Next”.
- Click “Next” to install the demo to “c:\ATR2020_V3.15”
- Click “Next” to add program icons to the indicated folder.
- If all setup information is correct click “Next”.
- Click “Finish” to complete the Setup.
- Double click on “ATR2020 v3.15” to start the demo version.
- You will see the “First Time File Location Setup”. Click on the check box.
- A blank screen will appear with a button “Key is Not Present”. Click on the button to activate the Login window. Type “**password**” in the password box and press enter. The demo should now be active.
- Sample reports & export are available in the 2020demo\sample reports directory
- The demo is limited to 5 employees
- Communication between the ATR2020 software and Acroprint Data Collection terminal is disabled.
- If you have any questions with this install contact technical support at supportdept@acroprint.com
